Re: TIF application – Ahimsa Yoga Studio, 3120 S. Oak Park Ave.

Dear Mayor and City Council,

The Berwyn Development Corporation's (BDC) Board of Directors recommend approval of the below specified TIF monies regarding Ahimsa Yoga Studio's project costs.

TIF assistance will be applied to interior build-out and signage improvements of the 1,000 sq. ft. space for a new business in the Depot District. Total costs for the project are estimated at just over \$14,182 in order to complete the work. The Oak Park studio is the highest rated yoga studio on Yelp for the city. It was also recently featured in The Chicago Traveler's – 10 Yoga Studios that Center Chicago. The studio hosts a wide range of classes, workshops and events. The studio is dedicated to providing a safe, non-competitive, community atmosphere. There are classes for all ages. They have over 30 instructors and staff at the Oak Park location, and anticipate creating 15 part-time positions at the Berwyn location. The proposed use is compatible with current zoning regulations for the property. A revenue forecast shows that the property (multi-unit building) would produce \$185,820 in local tax revenue over the next five years.

Based on this information, the City Council is being asked to approve TIF monies to pay only the eligible costs associated with this project up to a maximum of \$3,847. Approval is contingent upon the applicant receiving all appropriate City permits.

With the consent of City Council, Ahimsa Yoga Studio can commence work on their project and contribute to the revitalization efforts taking place in the Depot District.

Respectfully submitted for your consideration,

Anthony W. Griffin

BDC STAFF TIF APPLICATION ANALYSIS
Ahimsa Yoga Studio – 3120 S. Oak Park Ave.

Summary of Project:

The applicants, Masin Ouksel and Kelly Merydith, are requesting TIF funds for interior improvements at their new commercial space. The TIF scope of work includes interior build-out and signage. The applicants submitted a Tier II TIF application. To this extent, the applicants are requesting TIF funds for the work at this location in order to fill in the needed gap.

The applicants own one studio in Oak Park and have been in business since 2011. The Oak Park studio is the highest rated yoga studio on Yelp for the city. It was also recently featured in *The Chicago Traveler's – 10 Yoga Studios that Center Chicago*. The studio hosts a wide range of classes, workshops and events. The studio is dedicated to providing a safe, non-competitive, community atmosphere. There are classes for all ages. They have over 30 instructors and staff at the Oak Park location, and anticipate creating 15 part-time positions at the Berwyn location.

The applicants are proposing to build-out the approximately 1,000 sq. ft. commercial space. The proposed work is compatible with current zoning regulations for the property. The storefront is part of PIN 16-31-107-027-0000.

Past TIF Funding or Commercial Loans:

The proposed project site has received TIF funding in the past. The business owners in the storefront next door received TIF for awning and signage. No TIF funds have been spent on this storefront. It's up to interpretation, but staff suggests that in this case the project complies with the BDC TIF policy referred to below.

17. **Limit on TIF Funding:** Properties within a TIF district are limited to one (1) approved TIF application per year and two (2) approved TIF applications in five (5) years.

Summary of Costs:

Projects seeking TIF assistance for interior build-out and signage can be given funds for the needed work in order to bridge the funding gap. Electrical, lighting, flooring, and signage are all eligible TIF expenses. The total TIF eligible work is \$6,794. The total project costs are estimated at \$14,182.

Needs Analysis:

The proposed work would help the applicants make necessary improvements in order improve the vacant commercial space and free up necessary operating capital. The applicant's financial participation in the improvement has been verified by BDC staff.

A. GENERAL GOALS

1. An improved quality of life in the Project Area and the City by eliminating the influences and manifestations of physical and economic deterioration and obsolescence within the Project Area.
2. An environment within the Project Area which will contribute more positively to the health, safety and general welfare of the City, and preserve or enhance the value of properties adjacent to the Project Area.
3. An increased real estate and sales tax base for the City and other taxing districts having jurisdiction over the Project Area.

B. DEVELOPMENT AND DESIGN OBJECTIVES

2. Maintain and expand the range of retail and commercial service activities available within the Project Area;
3. Encourage the corrective maintenance of properties in poor condition;
7. Improve the image and appearance of all existing commercial and industrial areas;

A. REDEVELOPMENT OBJECTIVES

3. Strengthen the economic well-being of the Project Area and the City by increasing taxable values.
8. Provide opportunities for women and minority businesses to share in the redevelopment of the Project Area.

Design Guidelines:

The Depot District Awning Policy was provided along with the TIF Design Guidelines. The chosen color complies with Depot policy and therefore is eligible for 80% funding as outlined.

Recommendation:

It is the recommendation of BDC staff that the requested TIF application of Ahimsa Yoga Studio be approved with the following stipulations.

1. Project participation by the TIF district as determined by the TIF Committee.
2. The applicant will not receive any TIF monies prior to obtaining proper City permits.

Sergeant Donald E. Pechous

Stickney, IL 60402-4189

Sergeant Pechous,

Enclosed please find information on the seven residents of Berwyn, Illinois who were killed in Korea, 1950-1953. Earlier conversations we had and the first set of documentation we sent indicated that six residents of Berwyn were killed in the fighting. I have discovered that one individual, Master Sergeant Eugene Nicholas Miller was not included in the initial list. I apologize for that oversight. This current attached list is accurate and all-inclusive for Berwyn residents killed in Korea, 1950-1953.

Of the seven individuals, the remains of Divis, Lardino and Vydra were located, identified and returned to the United States. Divis and Lardino are buried in Cook County; I do not know where Vydra was buried. The other four: Fuka, Miller, Ore and Thees were initially declared to be Missing in Action; their remains were not recovered and were later declared either to be Died While Missing or Killed in Action. This common presumptive finding is usually done one year after the individual is declared Missing in Action.

DNA was gathered from family members of all four individuals in case remains are recovered in the future that can be identified through a DNA match. Given the history of a lack of cooperation by the government of the Democratic People's Republic of North Korea, that outcome is highly unlikely.

Respectfully,

Paul W. Grasmehr

Mr. Kenneth Clarke, President and CEO,
Pritzker Military Museum and Library
104 S. Michigan Avenue
Chicago, IL 60603

Dear President Clarke:

I wish to express my appreciation to you and your staff for the assistance given my search to identify Berwyn service men and women who died in the Korean War (1950-1953.) The information your museum has thus far provided has given me a sound base for further exploration.

In an action paralleling my recent donation of a plaque honoring Berwyn residents who gave their lives during World War II, my family would like to fund the erection of a plaque honoring our city's Korean War dead.

I also previously refurbished a monument honoring Berwyn's World War I servicemen and helped fund the Berwyn visit of the Vietnam Moving Wall. Thus, this will be my fourth effort to honor Berwyn boys who made the supreme sacrifice. It is my intention to pay back to my home town the excellent opportunity it afforded for growing up in such an outstanding community. I am one of six brothers who were Berwyn born and educated, served honorably with the military and were all fortunate to survive without a scratch.

It is my hope that your museum staff will further assist me in tracing the Berwyn street addresses for the servicemen identified to date as well as helping me locate any surviving family members. Once again, I will donate the plaque and its erection in a ceremony similar to the one detailed in the enclosed clipping from the Suburban Life Newspaper. The December 7, 2014 dedication of Berwyn's World War II plaque was very well received thanks to the Combined Veterans of Berwyn, Mayor Robert J. Lovero, the Berwyn City Council, individual service men and women as well as city residents. The Korean War plaque is planned for erection on that same site, the northern perimeter of Berwyn City Hall, 6700 W. 26th Street.

I hope that you and/or your designated staff representative will wish to participate in the Korean War plaque dedication ceremony to be held in Berwyn upon conclusion of this research. I also would appreciate your permission to credit the Pritzker Museum for assistance rendered in this matter. I look forward to learning of any additional assistance you can offer in this new memorial endeavor.

Sincerely,

Donald E. Pechous

FOR IMMEDIATE RELEASE:

PLAQUE TO HONOR BERWYN'S KOREAN WAR SERVICEMEN

A plaque honoring seven Berwyn men who died in military service to their country during the Korean War will be dedicated at a ~~date~~ date to be determined later. The ceremony will be held in the memorial site on the north side of Berwyn City Hall, 6700 W. 26th Street.

According to plaque donor Donald Pechous, the dedication will mark, "almost to the Day, the 65th anniversary of what has been called America's "Forgotten War." The war began June 25, 1950 and ended July 27, 1953.

Pechous, a current Stickney resident and retired Berwyn City and Township Clerk and long-time 1st Ward Alderman, said the plaque is intended to "make sure these brave heroes, who gave their lives in a noble cause, will never be forgotten. From now on, this plaque will be known as the Remembrance War Memorial."

Designed by John Fey of S.W.F. Products in Berwyn, the plaque will list in silver lettering on a black background the names of the city's seven Korean War dead. They are: PFC. Frank J. Divis Jr., PFC. Richard Otto Fuka, PFC. Frank F. Lardino, M/SGT. Eugene Nicholas Miller, PFC. Roger Hull Ore, LT. John Francis Thees and SGT. Edward R. Vydra.

Noting the research and leg work needed to identify Berwyn's Korean War dead, Pechous expressed appreciation for assistance provided by the Pritzker Military Academy Museum and Library in Chicago; Frank Amaro and Wayne Parthun, Combined Veterans of Berwyn; and Richard and Patricia Leja, Berwyn residents.

Pechous invited relatives and friends of the fallen servicemen and area veterans to the plaque dedication to be held in ~~the city~~. In case of inclement weather, ceremonies will move inside City Hall. More information is available by calling the office of Mayor Robert J. Lovero, (708) 788-2660.

Berwyn, IL 60402

Dear Mayor Lovero:

The Library Board of Trustees completed the search for a new Director for the Berwyn Public Library at a Special Meeting on July 27, 2015. We are enthusiastically recommending Keshia Garnett for this position.

Trustees are confident that Ms. Garnett, currently the manager of the West Englewood Branch of the Chicago Public Library, has the education, skills and experience to lead the Berwyn Public Library. She is committed to high-quality customer service and community outreach which are very important to all of us. Ms. Garnett is a highly effective communicator who is passionate about public libraries. Based upon her two interviews, a presentation to the Board, and comments from her references, we believe Ms. Garnett is a great team builder who will motivate the staff and involve the public in building a better library.

I have attached a copy of Ms. Garnett's resume which includes not only her work experience but also a list of the professional activities in which she has been involved for the past few years. After our meeting this morning, I hope you agree with the Board's assessment of Ms. Garnett.

Funding for this position is included in the FY 2015 budget.

Thank you for your consideration. Please let me know if you have any questions.

Respectfully submitted,

Re: Hiring process of Auxiliary Police Officer Candidates

Council Members:

Staff has recently reviewed the hiring practices for auxiliary police officers. In light of recent incidents in national news, it is more important than ever to make sure that the City of Berwyn, in order to decrease its liability, include an additional step in the hiring process of having all auxiliary police officer candidates pass a psychological screening.

Staff has also suggested that a review board be created consisting of the Director of Berwyn Emergency Services, a Berwyn Police Division Commander, the Berwyn City Administrator and two residents appointed by the Mayor to review all candidates' files, reports and test results. This board would also review and finalize the auxiliary policy for new hires. The board will then send their recommendations to the legal department to memorialize in two ordinances.

I am asking for your concurrence in approving the above additional steps (mandatory passing of psychological screening for auxiliary candidates and creation of an auxiliary review board) and also approving my appointments of residents Tracy Cipriani and James Malizzio to the review board.

Respectfully,

Re: Auxiliary Police Officer Candidates

In the interest of providing the best possible candidates for the auxiliary police I am proposing that the City and the Berwyn Police Department add 2 steps to the hiring process of the candidates. In addition to the written test that they already take, I am proposing that candidates participate in the following additional steps:

1. All candidates will pass a Psychological Screening. (This is the same test that is provided to all Berwyn Police officers.)
2. All candidates' files, reports and test results will be reviewed by a board for approval.

Psychological Screening services will be provided by the city to the candidates that have passed the written exam by Dr. Anthony DeJoseph of Quality Behavioral Healthcare, 6201 Cermak, Berwyn.

Tests Administered

- Personality Assessment Inventory (344 item personality test)
- Structured Police Questionnaire (20 key question structured interview)
- Clinical Interview.

The review board will consist of:

- Director of Berwyn Emergency Services
- Berwyn Police Division Commander
- Berwyn City Administrator
- 2 Residents of Berwyn, Appointed by the Mayor

Berwyn Police Department News Release

FOR IMMEDIATE RELEASE

July 15, 2015

Berwyn Police Department Awarded Funds to Help Combat Summertime Crime

Berwyn – The Berwyn Police Department is committed to the overall safety and well-being of the community and continually strives to find new and effective ways to address the communities' safety concerns. Through a recently awarded grant from Cook County Department of Homeland Security and Emergency Management (DHSEM), the Berwyn Police Department was awarded funds to address the increase in criminal acts that occur during the summer months. Through increased enforcement details, the Berwyn Police Department will focus surveillance and directed patrols to identify, confound, and eliminate the corrosive and dangerous crime element in the community. "It is the department's primary objective to increase police visibility and community interaction throughout the city in order to deter potential crime from occurring. Without funding assistance from Cook County DHSEM, this would not be possible," said Chief James D. Ritz.

The Berwyn Police Department was awarded \$60,840.00 from Cook County DHSEM to conduct enforcement details throughout the summer months (June-August). The details will coincide with specific times of day and night that historically see an increase in violent crimes and other related offense/incidents. "Enforcement and community interaction go hand in hand. The police department will not only conduct enforcements to deter crime, but also to educate and positively interact with the residents of this community," said Chief Ritz.

Commander Thomas O'Halloran
Berwyn Police Department

Dear Commander O'Halloran,

As you are aware, Cook County is a recipient of the Edward Byrne Memorial Justice Assistance Grant (JAG) Program funding from the United States Department of Justice, through the Chicago Police Department.

In April of this year, the DHSEM released JAG Program funds in the amount of \$1,207,350 for competitive application from local law enforcement agencies and non-profit organizations throughout Cook County. At the close of the application submission period, the DHSEM received over 45 applications for consideration, totaling over \$2.6 million in requests.

The DHSEM convened a multi-department peer-review panel which engaged in a methodological review of all applications. Under this competitive grant application, the DHSEM is pleased to announce that your application was selected to receive JAG funds for the following project(s), in the specified dollar amount: **Crime Suppression Summer Enforcement Details - \$60,840.00.**

The next step in this process is for your agency to submit to the DHSEM a final itemized budget and sub-grant agreement, specific to the approved project(s) listed above. The final budget form and the sub-grant agreement will be sent electronically within two days. The Department will be hosting a mandatory information & training session for all sub-grantees June 2 10:00AM-12:00PM and June 4 10:00AM-12:00PM. We ask that a representative from Berwyn Police Department attend one of these two mandatory sessions and bring the completed documents to the session.

Once all documentation is received and your sub-recipient grant agreement is executed, you may begin your approved project(s). Any changes to your approved project(s) must be pre-approved in writing by the DHSEM. If you have questions specific to your application, please contact the DHSEM Finance team via email at dhsem.finance@cookcountyil.gov.

Congratulations on your successful application and thank you for your continued support of this grant program, which provides critical resources to enhance and improve the County's law enforcement and criminal justice capabilities.

Sincerely,

Re: 1900 Clinton Avenue Superzone Request

A petition was received for a superzone request for the 1900 block of Clinton Avenue. After performing a parking study of this block and surrounding area; a superzone is not suggested at this time. A superzone may result in negative parking impacts to the surrounding neighborhood. Parking relief alternatives are currently under consideration for the area and will be presented at a later time.

Recommendation

My recommendation is to accept this communication as informational.
